
CURRENT PROJECTS (CSSP)

1. Development, Testing and Promotion of Technology Packages for Total Rural Sanitation for Women in Coastal and Semi-Arid Village/Household Clusters.
Investigator: **Dr.Monto Mani, Prof. B.V. Venkatarama Reddy**
2. Development and Testing of Domestic (Household level) Photovoltaic Integrated Hybrid Solar Still.
Investigator: **Dr.Monto Mani**
3. Impact of climate change on the water cycle and ecosystem of functioning at the river base in scale.
Investigator: **Prof. N.H.Ravindranath.**
4. Land Use, Land-Use Change and forestry in an extended context beyond Kyoto. Swedish Energy Agency 2006-2008.
Investigators: Madelene Ostwald, **N.H. Ravindranath**, Berndes Goran Reilly John
5. Impact of climate change on tropical forest ecosystems and biodiversity in India, Norwegian Embassy, New Delhi, 2006-2009.
Investigator: **Prof. N.H.Ravindranath.**
6. Development & Dissemination of fuel efficient wood burning devices and agro-processing driers.
Investigator: **Prof.B.V.Venkatarama Reddy.**
7. Rural Technology Generation and Transfer
Investigator: **Prof. B.V.Venkatarama Reddy**

CURRENT PROJECTS (CSIC)

1. Technical advice on construction of Green Building for Bio-Fertilizer factory at Chennai.
Investigator: **Dr. Monto Mani, Prof. B.V.Venkatarama Reddy**
2. Estimation of Bio-energy Potential of selected Taluks of Koppala, Bellary and Davangere Districts".
Investigator: **Mr.H.I.Somashekar.**
3. To assess the deforestation trends and implications for carbon stock in Indian forests.
Investigator: **Prof. N.H.Ravindranath**
4. Impact of climate change on Tropical forest ecosystems and biodiversity in India
Investigators: **Prof. N.H.Ravindranath, Prof. N.V.Joshi, Prof. R.Sukumar**
5. Estimation of carbon mitigation, potential of forestry activities in Himachal Pradesh
Investigator: **Prof. N.H.Ravindranath**
6. Development of strategies for sustainable biomass production.
Investigator: **Prof. N.H.Ravindranath**

JOINT RESEARCH COLLABORATION (INDUSTRY-IISc INTERACTION)

1. BHEL-IISc Joint research programme on Building Integrated Photovoltaic'.
Investigator: **Dr.Monto Mani, Prof. B.V.Venkatarama Reddy**
